Romulus man drowns while fishing in Belleville Lake

A 73-year-old Romulus man drowned Friday while fishing in Belleville Lake.

The victim, Joseph Krause, left his home at about 9 a.m. Friday to fish on Belleville Lake, according to Van Buren Township Public Safety Director Mark Perkins. The victim's son reported him missing at 8:25 p.m. when he did not return home as expected.

The victim had been observed launching his 8-foot rubber raft at the Department of Natural Resources boat launching site, and witnesses report seeing Krause paddling his rubber raft across the east portion of the lake at about 10 a.m. Krause was not observed after that time, according to Van Buren Township police reports.

When the weather became stormy, Krause's son went to the launch site on East Huron River Drive to look for his father. He saw his father's car in the parking lot but found no trace of his father.

At 10 p.m. Friday, the township marine patrol began a search with the aid of a Survival Flight helicopter. The search was called off in the early morning hours Saturday but continued in the morning with the Wayne County Sheriff's Department joining in the effort. Although divers made a pattern search of the area Saturday, they were unable to locate the body of the drowned man in the murky water.

Krause's raft, with one oar inside, was found on the shore, and later the missing oar and a hat, which was identified as the victim's, was found in the water.

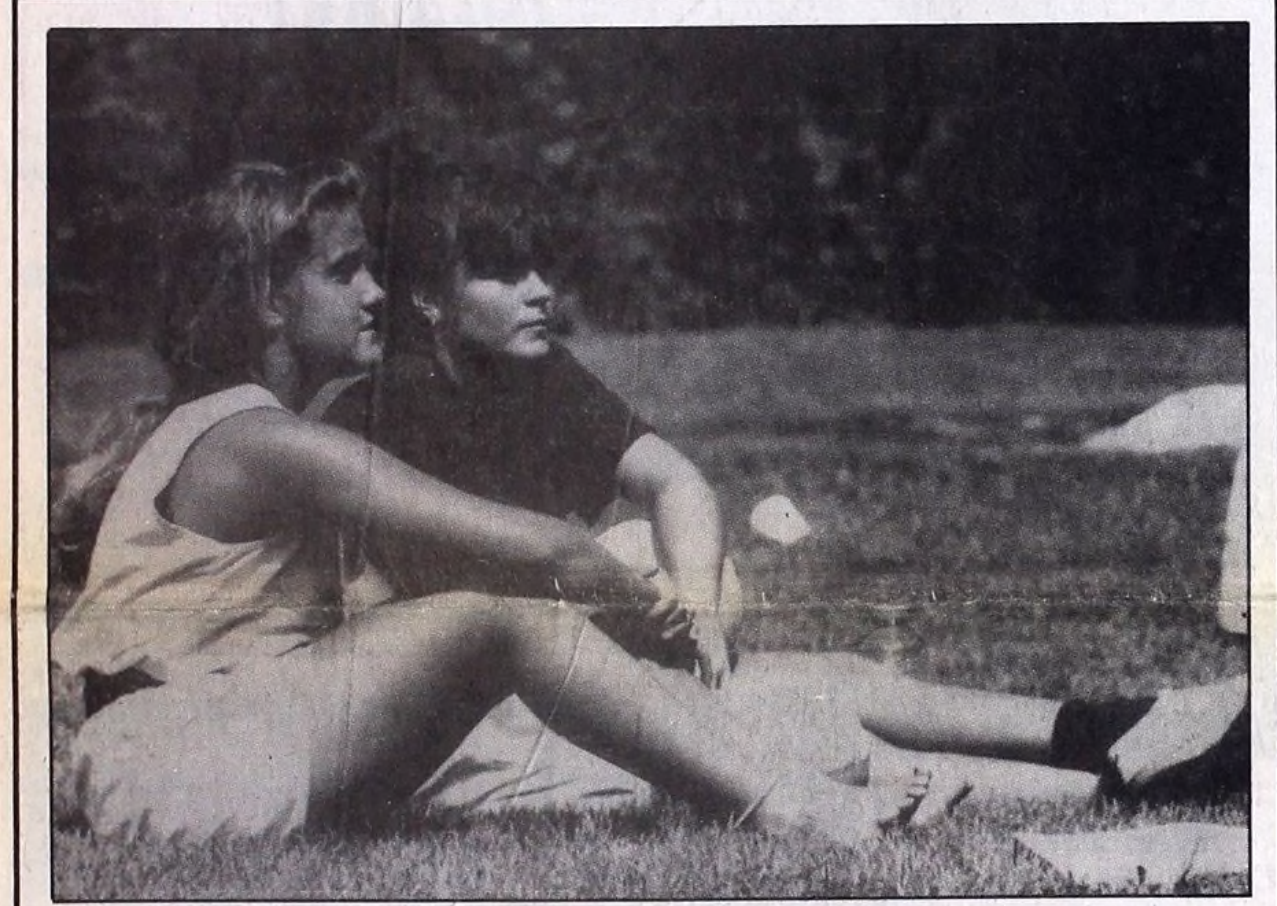

On Sunday afternoon, a recreational boater located the body in the lake.

The Wayne County Medical Examiner confirmed Krause's death was because of drowning.

Krause's death marks the first drowning in Belleville Lake this year. Last year, a man riding in an inner tube had a heart attack and died in the water.

Director Perkins noted the drowning death of the Romulus man points to the need for all boaters to comply with water safety rules, even those using rafts or tubes. The public safety director said the victim was a good swimmer, but was not wearing a life preserver and apparently did not have one.

"Because Belleville Lake is a small lake, an average swimmer can swim to shore at many points, and rubber rafts don't pose any special hazards if they are operated safely. However, all boaters should wear life preservers and carry all of the safety equipment that is required," Perkins said.

Out and about

In top photo, Romulus High School seniors Angie Slawinski (left) and Michelle Scarrow watch the beach volleyball tournament Saturday afternoon at Jackson Park in Romulus. Left, Benjamin Arseneau, 2, plays on his tricycle during playtime Monday at My Friends and Me Children's Center in Romulus.

New training

Councilmembers praise police

By MARGO DEWEY
ANP Staff Writer

Romulus councilmembers praised Police Chief Fred Dansby June 3 for his dedication to continue educating the Romulus Police Department on the latest police techniques.

Dansby requested councilmembers approve an in-service training program for the police department which would consist of a 24-hour, seven days a week programming on television of police related subjects.

Councilmembers agreed to the program by a unanimous vote.

"All of the programs are police related and cover virtually every subject that a police officer will experience in his daily routine," Dansby said. "The programs are shown on television sets that will be set up in different locations of the police department, such as, the squad room where officers can watch a training film while attending roll call."

The contract or subscription agreement is based on a 50-man department instead of 56 man, according to Dansby. Cost is \$388 per month and will not change in the future.

There is a one-time charge for installation of \$285, which is a reduced charge for this service because normally the cost is \$785, Dansby said.

"The cost will be paid out of the police department training funds in the 1991-92 police department budget," Dansby said.

Councilman Jimmie Raspberry commended Dansby for presenting the program to the council.

"I think there's no limit to education," Raspberry said.

Councilman Russell Lambert agreed with Raspberry and added "you can never get enough training."

"This is like a refresher course to keep them going," Lambert said.

Dansby informed councilmembers the training program will assist the officers with learning how to handle situations by use of verbal communication.

"If you have the proper verbal communication, there is less force used," Dansby said. "The officers are doing a good job out there, but they just need to supplement their training."

Councilman Jimmy Raspberry

Police seek better identification

By MARGO DEWEY
ANP Staff Writer

Romulus councilmembers introduced an amendment to the Uniform Traffic Code June 3 which prohibits the presentation of false identification of the driver when stopped by police for a traffic violation.

If approved, the ordinance as amended would read:

- It shall be unlawful for any person who has been requested to display an operator's or chauffeur's license and who for any reason is unable to do so, to provide identification information to a police officer other than that which is accurate and is applicable to that person alone.

The ordinance states the council has found a problem exists when individuals, who have been stopped or contacted by police for traffic or misdemeanor violations, are unable to produce an operator or chauffeur license on demand.

Councilmembers also found the following to be true:

- The information provided is usually accurate for some other party, who holds a valid driving status in this, or some other state.
- This action on the part of the arrested person will normally result in charges being brought against a completely innocent party, who had no knowledge of the events or activity.
- The activity often results in warrants being issued, driving privileges being suspended, additional time and effort on the part of the police and the court system, plus additional litigation.

Detroit man to stand trial

By MARGO DEWEY
ANP Staff Writer

A July 3 waiver trial will be staged for a Detroit man before Detroit Wayne County Recorder's Court Judge Gershwin Drain on an alleged hit-and-run felony offense of a Romulus teen-ager April 19 in Wayne.

Joseph Brady, 25, waived his right to a felony preliminary exam May 1 before 29th District Court Judge Carol Archbold. A \$5,000 personal bond was set for Brady.

At 11:38 p.m. April 19, Daniel Meloche, 17, was walking southbound on Merriman Road in the roadway, according to Wayne police Lt. Dan Randall. Meloche was apparently walking home from his girlfriend's house in Westland when he was struck by a vehicle, Randall said.

The vehicle, allegedly driven by Brady, sped away from the scene while failing to stop and assist Meloche, according to

Randall. The vehicle headed southbound on Merriman, west on Michigan Avenue.

Meloche was taken to the University of Michigan Hospital where he was pronounced dead at 7:06 a.m. April 20.

A not-guilty plea was entered for Brady by Archbold. The hit-and-run charge is a felony offense which carries a maximum of five years in jail and up to a \$5,000 fine.

Police are still investigating the case.

Hotel officials thank police officers

By MARGO DEWEY
ANP Staff Writer

The Romulus Police Department recently received a pat on the back from Comfort Inn officials and the Davis and Culpepper attorney firm for handling the Bertram Harper suicide case with expertise.

Harper, the California man who helped his wife commit suicide in a Romulus hotel room Aug. 19, was found not guilty May 10 by a Detroit Wayne County Recorder's Court jury.

Julie Merritt, director of operations for Comfort Inn, thanked Police Chief Fred Dansby for a job well done.

"You should be very proud of the professionalism displayed by staff members detective Sgt. Gordon Malaniak, Sgt. Daryl Poe, officer James Brake and officer Ken Landstrom," Merritt said. "These gentlemen demonstrated concern and gave me moral support in a situation that I have not often encountered."

Merritt informed Dansby she was impressed by the way the officers conducted themselves.

"I cannot express enough how thoughtful and understanding these gentlemen were," Merritt said. "I have a great deal of respect for the Romulus police."

"I feel that the citizens and businesses of Romulus should be very proud that they have such a group of outstanding people to rely on in the event of an emergency."

Hugh Davis Jr. of David and Culpepper echoed the gratitude of Merritt to the Romulus Police Department.

"As soon as the trial was over, I wanted to let you know how much we appreciated the thoroughly professional manner in which your department handled this difficult case," Davis said. "From investigation through trial, my clients were treated with fairness and restraint."

Correction

An article published in the May 30th edition of *The Romulus Roman* incorrectly identified Mark Lewkowicz as the man who asked Romulus councilmembers May 28 to change the name of the city.

The article should have named Eliot Schubiner, a Southfield resident and owner of 50 acres of land in Romulus, as the one who asked councilmembers to change the name of the city.

PEOPLE

SOON TO WED

Goldkette - Carson

Aronne Goldkette of Belleville and Margaret Lynch of Redford announce the engagement of their daughter, Dawn Mari, to James C., son of Christine and Constantine Carson of Northville.

The bride-elect graduated from Oral Roberts University with a bachelor's degree in telecommunications and is working at American Airlines.

Her fiancé graduated from the University of Michigan with a bachelor's degree in business and from Northwestern with a master's degree in business. He is employed at Ford Motor Co.

The couple will be wed at St.

Goldkette-Carson

Johns Greek Orthodox Church

ROMULUS NEWS DIGEST

Man dies in fatal car crash

Romulus resident Walter Salmi, 79, died June 2 in a fatal car crash on East Michigan Avenue in Wayne.

Salmi allegedly ran through a red light and struck a vehicle traveling eastbound on Wayne Road at 10:47 p.m. Salmi was taken to Annapolis Hospital where he was pronounced dead on arrival.

The two occupants of the other vehicle, an 18-year-old Wayne resident and a 17-year-old Westland resident, also were taken to Annapolis Hospital and were treated for non-life threatening injuries, according to police.

1991 maps are available

New maps of Romulus are available now at the Chamber of Commerce office. Cost is \$1.25. The Chamber of Commerce Board of Directors would like to give special thanks to directors Mark Lewkowicz, Landis Machine Shop and Bob Sanchez, The Spiratex Co., Chamber President Dennis Worsley and past president Bill Crane.

Archery Club hosts benefit

The Romulus Chamber of Commerce and the Romulus Metro Archery Club will host a 50-50 Archery Benefit Shoot, where a portion of the proceeds is geared for the drug task force program created by Mayor Beverly McAnally.

Participants with the best hand will receive the award of 50 percent of the shooting fee. The event will run seven days a week for the month of June at Northline and Huron River Drive in Romulus. Individuals 18 years old or older can participate. For more information, phone 941-9486.

Just hanging around

Son returns home from Iraq border

By MARGO DEWEY
ANP Staff Writer

Romulus resident Barbara Leach can take down the yellow ribbons which adorn her home now that her son, Robert Parrott, has returned from the Persian Gulf.

"I love it," Leach said. "It's great to have him home. I'm making all his favorite foods."

Parrott, 25, has been a soldier in the Army for seven years. During Desert Storm, he was a telecommunications operator situated about 15 miles from the Iraq border.

"We were in charge of receiving information from our division, and then we would have to refine the information and send it back," Parrott said.

This was the first time Parrott was in a combat situation. He was sent to the Persian Gulf Dec. 17.

"At first, it seemed long and drawn out when we got there," Parrott said. "We had a number of briefings to keep us informed. The most difficult time

was really not knowing when I'd be going home."

The weather would reach near 125 degrees some days. Parrott lost about 10 pounds during the war.

Leach said Parrott decided to fight for his country in order to protect his family.

"He came to me when he was 17 and said, 'I'm going to join the service,'" Leach said. "He said 'Someone has to take care of you and little brother.' He wanted to protect the country."

Parrott is a graduate of Romulus Senior High School. He was stationed in Germany for the last four years. His grandmother, Isabell, never gave up hope Parrott would return home safely.

"I knew he would come home," Isabell said. "I said a prayer for him every day. I just knew he was coming home."

Parrott recently married Lisa Anselment, whom he met while stationed in Germany.

"I've very happy he is home," Lisa Parrott said.

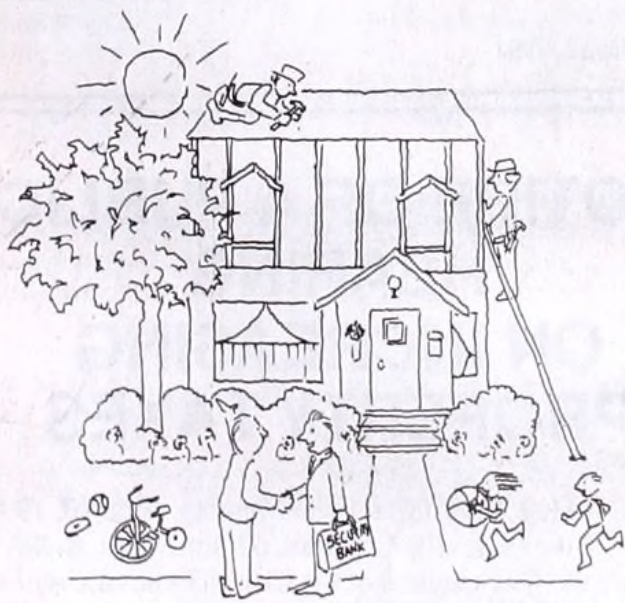

Lisa Parrott, Robert Parrott, Barb Leach and Sarah.

NOTICE OF A PUBLIC HEARING

ON INCREASING

PROPERTY TAXES

PLEASE TAKE NOTICE that on Monday, June 10, 1991 at 6:15 p.m. at the Belleville City Hall, 6 Main Street, Belleville, Michigan, the City Council of the City of Belleville will hold a Public Hearing on the levying in 1991 of an additional proposed millage rate of 0.8947 for operating purposes pursuant to Act 5, Public Acts of Michigan, 1982.

The City of Belleville has the complete authority to establish that twenty (20) mills be levied in 1991 from within its present authorized millage rate.

The maximum additional proposed millage rate would increase revenues for operating purposes from ad valorem property tax levies in 1991 otherwise permitted by Act 5, Public Acts of Michigan, 1982, by 5.70%.

The figure for increase in revenue for operating purposes is based on the latest estimate of state equalized valuation of property located within the city. In the event that state equalized valuation as finalized is for any reason higher than the estimate used for this hearing, the City of Belleville must hold another Public Hearing before levying millage on any high valuation.

The purpose of the hearing is to receive testimony and discuss the levy of an additional millage rate. Not less than seven (7) days following the Public Hearing, the City of Belleville may approve all or any portion of the proposed additional millage rate.

This notice is given by order of the Council of the City of Belleville.

Agnes Frisch, City Clerk

Blue Ribbon Commission to study education in schools

In a move to improve the technical skills of graduating high school students, State Rep. William Keith (D-Inkster) last week announced the formation of a Blue Ribbon Commission on Career/Technical Education.

"We have a responsibility to make sure our children are prepared with the basic skills, training and knowledge that the employers will need and demand in the future," said Keith, chairman of the House Education Committee.

"It is vital that educators work closely with business and labor interests to identify the kind of career and technical training that will be needed," he said.

The formation of the commission was announced jointly by Keith and House Speaker Lewis N. Dodak (D-Birch Run Area).

The lawmakers said the commission will:

- Analyze the effectiveness of existing vocational/technical education programs in providing students with the skills and technical training needed in the workplace.
- Recommend ways to expand and improve current vocational education programs, including redefining learning opportunities for the non-college bound student.
- Examine the role business should play in helping schools provide students with the skills and knowledge they will need to become employed in the future, including ways to restructure existing programs to incorporate both current and anticipated needs into public education.
- Recommend ways to help students make a seamless transition from secondary school to the workforce or continued education.

Dodak is chair of the commission and Keith is vice chair.

"If our children are going to compete successfully in the international marketplace, their education can't be provided in a vacuum," Dodak said.

"Leaders in education, business and labor must work together to prepare all students to enter into the workforce at the most appropriate level."

Keith added: "We can no longer afford to have any child, regardless of where he or she lives, graduate from high school without the skills and knowledge needed to either become employed or to continue their education."

"The work of the blue-ribbon commission will keep that from happening."

Selected to serve on the commission are: Geneva Tittsworth, former regent of Eastern Michigan University; Lola Jackson, director of Vocational Education for the Michigan Department of Education; Dennis Brieske, director of the Saginaw/Midland/Bay Job Training Consortium; Betty Ong, certified vocational education

teacher, Royal Oak School District and member of the state board of education testing committee; and Clyde LeTarte, president of Jackson Community College.

Also serving on the commission are Phillip Power, chairman of the Suburban Communications Corp.; Bergit Klohs, executive director of the "Rights Place Program" affiliated with the Grand Rapids Chamber of Commerce; Jeff Hearn, vice president of operations for Champion International Inc.; Dr. Renee Lerche, manager of Education Planning for Ford Motor Co.; Sharon Roy of S. R. Accounting Inc., member of the National Federation of Independent Businesses; and Bruce Stine, executive director of Human Resources Development Inc., representing the Michigan AFL-CIO.

\$46 million Cleanup effort receives boost

By BARBARA GOFFMAN
ANP Special Writer

Members of the U.S. House of Representatives took recently the largest step yet in the effort to clean the Rouge River.

The House Appropriations Subcommittee approved giving \$46 million—the largest amount of federal funds yet donated—to the local effort in the 1992 fiscal year, Michigan Congressmen John D. Dingell (D-Trenton) and William D. Ford (D-Taylor) announced.

The bill, now awaiting action by the full House, is expected to be approved without opposition, said Dennis Fitzgibbons, a spokesman for Dingell.

A companion bill is being worked upon in the Senate.

The funds, if approved, will be used to clear logjams, silt and debris, construct stormwater retention basins throughout the Rouge River basin, monitor combined sewer overflows, survey the concentrations of PCBs in the water and monitor other "problem areas," the congressmen said.

"These monies will go a long way in helping our Downriver and western Wayne communities clean up the Rouge River," they said. "We still face many years of hard work, but we're glad for the successful beginning of this crucial funding process."

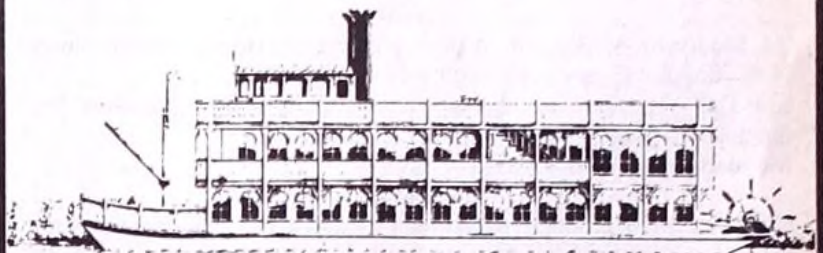

Ford and Dingell began their efforts to save the Rouge at a federal level four years ago in

response to a grassroots swell of support for cleaning up the river.

Since then they have obtained \$110 million for the cause. The additional \$46 million would be the largest one-time donation yet.

By the time the Rouge cleanup is finally completed, Fitzgibbons said, the amount of federal funding probably will reach at least \$1 billion. He could not estimate, however, how long the entire cleanup task may take.

VAN BUREN PARKS & RECREATION PRESENTS...

The Michigan Princess

Friday, Saturday, and Sunday
June 14 - 16 and June 21 - 23, 1991

Enjoy an evening aboard one of Michigan's premiere Riverboats as it cruises on beautiful Belleville Lake.

Luncheon Cruise	11:30 am to 2:00 pm	\$25 per person
Matinee Cruise	3:30 pm to 4:00 pm	\$10 per person
Dinner Cruise	6:00 pm to 8:00 pm	\$35 per person
Midnight Cruise	9:00 pm to 12:00 pm	\$15 per person

Dinner Cruises feature the famous Captain's Prime Rib

Departure for all cruises will be from the Rawsonville Docks, 1 mile south of I-94

Tickets are available by reservation only from the Michigan Princess ticket office or from the Van Buren Recreation Department. Capacity is limited.

Drains Run Slow?

You'll never have a slow running, or clogged drain again! The secret? Clean drains don't run slow.

Slow drains, or periodic clogs, are SIGNALS that a thick layer of GOOK is choking your pipes. Grease, hair, and other waste stick to your pipes, with every use. This gook deposits along the entire length of the pipe. It chokes your pipes gradually, as it gets thicker and thicker.

Conventional drain openers can't fix slow drains. They react chemically on the surface of the gook. To be effective, they must remain in contact with the waste. Even a small tunnel in the gook lets them flow out to the sewer, leaving the gook behind.

In the past, the only way to remove this build-up was to root your pipes. An expensive, temporary measure.

Now, with just a few minutes each month, you can easily clean out your pipes... and KEEP them clean with Plumb Clean. Its totally unique formula clings, and penetrates deep into the gook. That is what allows it to liquefy even years of build-up. Plumb Clean will clean the entire length of your pipes. It will make your drains run like new, when used as directed. This penetrating action is so revolutionary, we stand behind Plumb Clean with a money-back guarantee!

Saves Money. A 1 lb. container of Plumb Clean holds up to 41 drain treatments. Even if drain openers could fix slow drains, it would take over 10 quart bottles to get the same number of treatments. Plumb Clean costs about 35¢ per treatment. We don't know of anything that cleans drains for less.

Safe Too. Conventional drain openers are dangerous chemicals. They can injure eyes on contact. They can release deadly vapors, in some situations. Some may damage your fixtures. Plumb Clean will not burn skin, or eyes. It will not release harmful fumes. When used as directed, it is 100% safe for people, and of course, all plumbing.

So, if your drains are giving you a SIGNAL, act now. Get safe, guaranteed Plumb Clean today! Available at:

Van Buren Public Schools Board of Education

		Photo Not Available		Photo Not Available	
LaVerne Finley	Patricia Jamison	Deborah Paul	Martha Wright Toth	Russell Zaccaria	

Background

LaVerne Finley is campaigning for trustee on the Van Buren school board. The 42-year-old Belleville resident has lived in the city 16 years. She is married and has three kids. She received her associate's degree in 1989 from Eastern Michigan University and worked for the University of Michigan Research Center as an interviewer before moving on to work for the Wayne County Regional Educational Service Agency. She is a member of Belleville Business & Professional Woman's Club, Friends of Fred C. Fisher Library.	Patricia Jamison, 37, is seeking a position on the Van Buren school board. A lifetime resident of the area, Jamison is married and has two children attending school in the district. She is employed with Roddy Temporary Services.		Martha Wright Toth, 40, is seeking election to the Van Buren school board. A 11-year resident of the community, she is married and has two school-age children. She has a bachelor's degree from the University of Maryland and is a temporary employee of the Van Buren and Plymouth-Canton schools. Toth is a member of the Van Buren Association for the Academically Talented and Michigan AAT, the Western Wayne-Michigan Alliance for Gifted Education, Knowledge Is Democracy's Safe-guard Committee		
--	--	--	---	--	--

Why did you decide to seek this office?

Seeking this office will enable me to be part of the decision- and policy-making process to further the educational standards in our school district.	I would like the opportunity to serve the community, and devote my time and effort to the needs of the children, by becoming an active and informed member of our school board. As a dedicated parent, I want the best education possible to be offered, not only to my children, but to all the children in our district. Afterall, by nature all men are alike, but by education they become different.		Having two children in Van Buren schools (in third and ninth grades) gives me a very personal stake in how the district is run. I have the time, the interest, the knowledge and the dedication to serve the interests of students, staff and the taxpaying public of the district.		
---	---	--	---	--	--

What are your qualifications for this position?

I have the time, energy and interest to give to this position. I have and presently serve on various public boards which involves me in making decisions that affect a wide range of people. I believe these experiences qualify me for this position. I am willing to put forth the effort to do a good job.	As far as my formal education and qualifications for this position go, (Besides being a resident, homeowner and parent of two teenagers) I will simply say: "Not all educated people are college graduates, nor are all college graduates educated people. An educated person is one who is useful to humanity, their profession or trade, and to themselves and their families. We need all the technical training we can obtain. ...But let us not mistake qualification for ability; it is the use of a tool rather than the possession of it which gets the job done. Whatever I do not know, I am not ashamed to inquire about, so I acquire knowledge."		My background as a teachers, graduate work in education at UP and EMU, and continuing education at workshops, conferences and seminars ha given me a broad understanding of schooling and an acquaintance with current educational theory and practice. My work as a volunteer in Van Buren schools (20 hours a week for most of the last four years) has furnished me with a working knowledge of methods and conditions in local schools. Research done to create informational materials for past millage campaigns and for the KIDS Committee (which is working for an equal educational opportunity amendment to the state Constitution) has given me considerable expertise in school-finance issues.		
---	---	--	---	--	--

What are the major issues in this election?

I consider a major issue to be providing a quality education to students in the Van Buren School District, within the confines of the school budget.	One of the major issues that we face is providing a quality education while staying within the district's budget. With the slowing economy and current inflation, we are finding that "our dollars" have less purchasing power to meet the challenge. Our community's commitment to providing a modern and safe environment for our students education is commendable. Therefore, we must do whatever we can to provide the best education possible, in the most cost-efficient way. "The highest use of capital is not to make more money, but to make money do more." I feel we need additional training to prepare our students for the job market of the 90s, and we need to be more resourceful in coming up with child care programs for our teen parent who wish to continue their education. A judge who has a great number of cases involving youth and families once said: "We adults spend far too much time preparing the path for our youth and far too little time preparing our youth for the path." Nobody can really guarantee the future.		I don't see any "issue" in this campaign, as the district is running smoothly at present. Our financial position is good now, given our successful millage campaign last fall, the settlement of most employee contracts, Gov. Engler's promise of a modest increase in state funding for next year. What I do see, and one reason I wish to be involved, is a tremendous opportunity before us. The implementation of last year's Quality Education Act is our best chance in years to bring meaningful change to the teaching and learning process in our district. The Act's emphasis on results allows us to truly reform methods, to adapt our schools to and prepare our students for the demands of a changed world.

Sumpter Township seeks participants

By JOAN DYER-ZINNER
Belleville City Editor

While plans for the 15th annual Sumpter Country Fest are being finalized, Sumpter Park and Recreation Commission members are signing up participants for the July 20 kick-off parade.

Parade Chairwoman Mary Bardell has application forms available at the Township Hall through June 15.

Bardell will be assisted in staging the parade by fellow members of the Sumpter Horsemen's Association.

Parade officials request no political campaign material be distributed during the festival or be displayed on floats or vehicles in the parade. The officials also ask no candy be thrown from vehicles in the parade. In addition, all drivers of vehicles must be at least 16 years old and possess a driver's license. Participants will receive a free lunch at the festival site.

The parade participants will line up at 10 a.m. at Sumpter and Judd roads and proceed south on Sumpter Road to the Sumpter Community Center at noon.

Shaping the future

Our choice for election to the Van Buren Board of Education is **LaVERNE FINLEY**. Finley has a history of community service and her background in various facets of education is impressive.

We believe the election of **FINLEY** to a four-year term on the Van Buren Board of Education would be a valuable addition.

The other four candidates vying for the second four-year term each possess qualities and experience that would provide new dimensions and insights to the school board and we recommend careful consideration by voters to choose the one representative best suited to fill the second four-year term. With the slate presented, the community simply cannot lose.

In Plymouth-Canton, we feel the children and the community would be best served by returning the incumbents, **ROLAND THOMAS JR.** and **DEAN SWARTZWELTER** to the board. These two individuals have a demonstrated track record of service and genuine concern for the district and children. The other two candidates would certainly not diminish the effectiveness of the board, but at present, the Plymouth-Canton district seems to be effectively managed and served with the incumbents.

Voters in the Inkster district would be best served, we believe, by the election of **LORENZO MONER** to a four-year term. He is an articulate spokesman for the district and of great value in this position. We would also recommend **NORMA McDANIELS** for a four-year term. She has a wealth of knowledge about the district and will well serve the best interest of the students.

A **YES** vote on the renewal of the millage in the Westwood district seems the only choice beneficial to the students. We would further fully support the election of the incumbents **BARBARA MCCOY** and **ELEANOR S. WRIGHT** in the district.

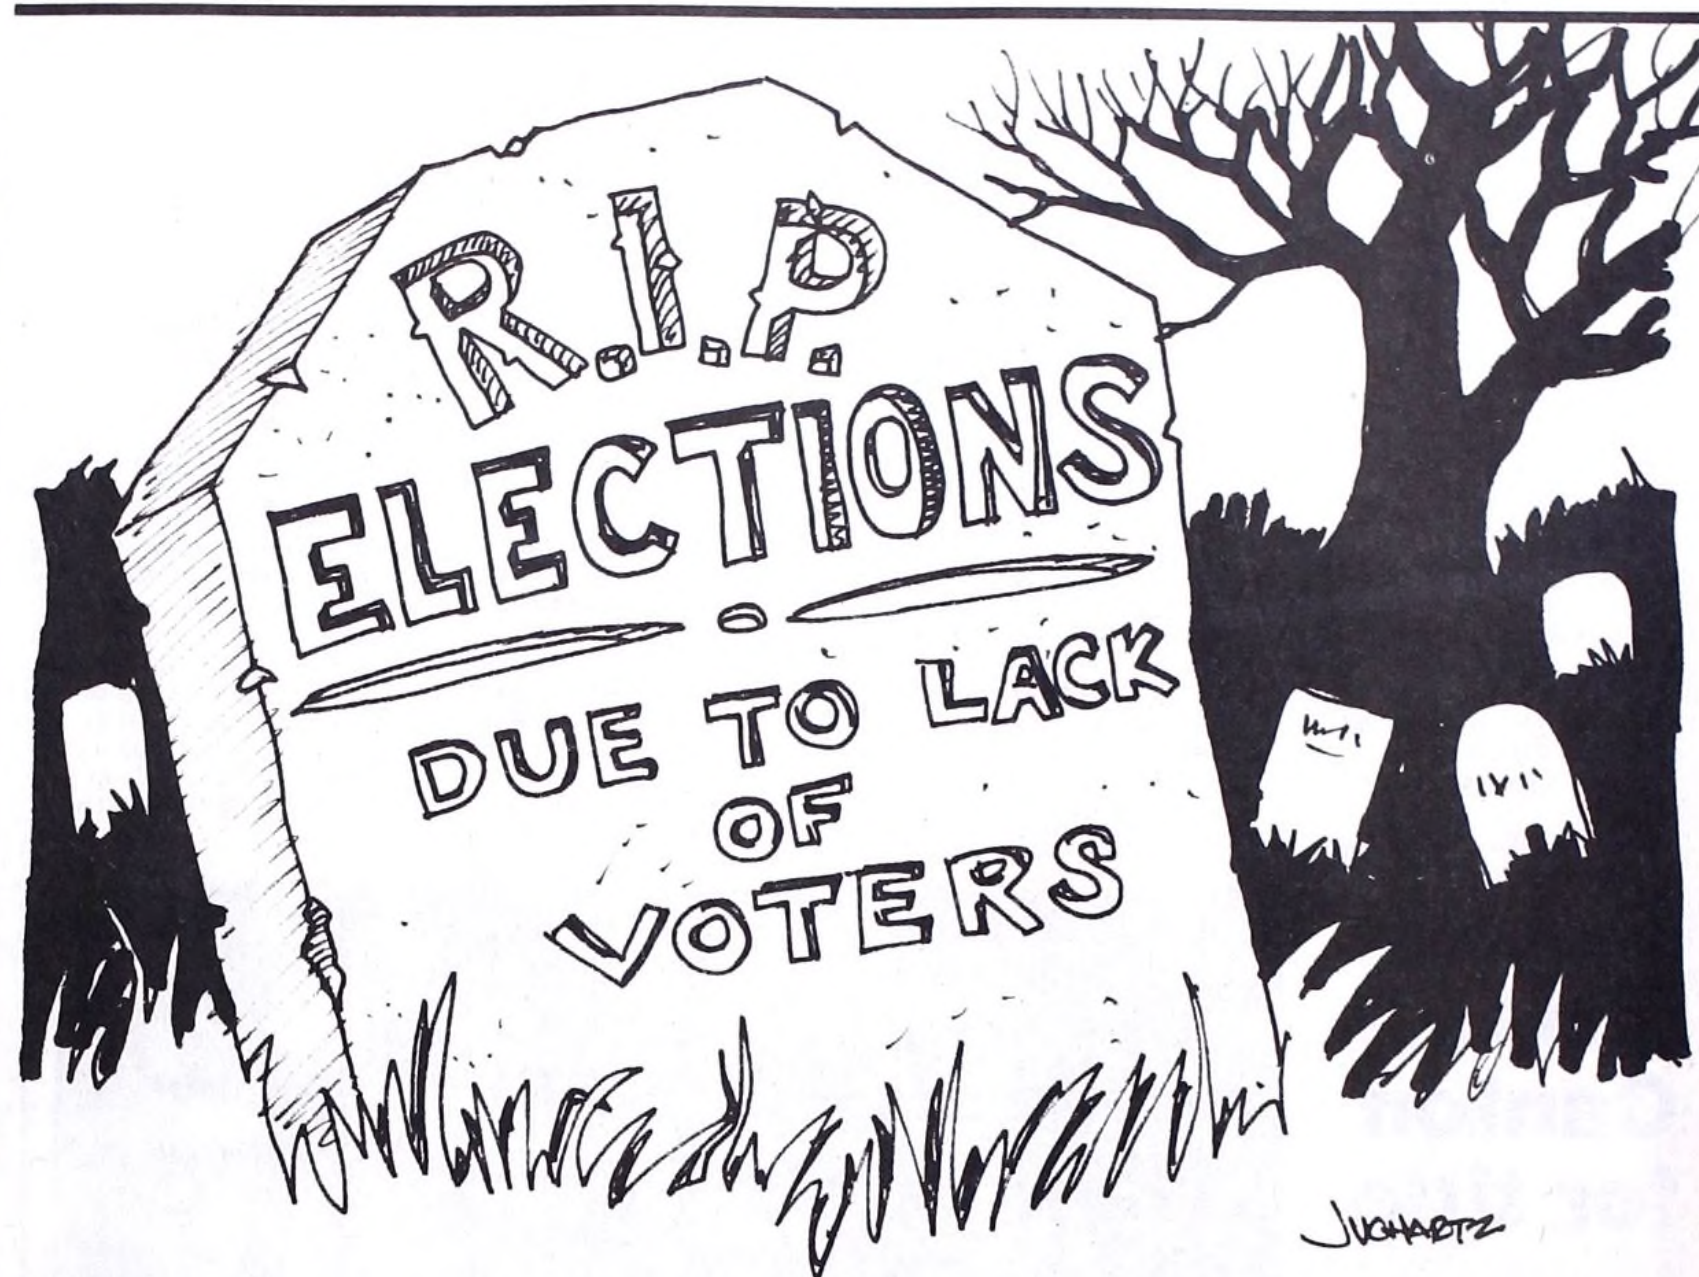

In the Wayne-Westland district, the choices voters face is difficult if not nearly insurmountable. That this record number of candidates are seeking to serve is a loud and clear message regarding the image of the current board members and their ability to work together toward the betterment of the educational climate in the district. Unfortunately, most of this friction and implied criticism is based on misinformation and has been used by the less-than-scrupulous to create a climate in which children fall beneath self-aggrandizement on the list of priorities. It is truly an unfortunate situation.

The one clear and unquestioned choice we have is **MIKE REDDY** for the single two-year term. **REDDY** was appointed to fill a vacancy on the board in November and has, since then, evidenced a sound reason, a calm demeanor and a problem-solving approach to his actions on the board. With **REDDY**, voters get the best of both worlds, a much-needed fresh approach with the experience his recent service has provided. He is a sure choice for this office.

And, while the choice was not as easy, we have also chosen the two incumbents, **SHARON SCOTT** and **MATT McCUSKER** for the two four-year terms. While new ideas and fresh blood may be the emotional rhetoric of some candidates, an evaluation of service and opinions will prove that **SCOTT** and **McCUSKER** have made good choices and done many hours of service for the board which are not on public record. These two have political and personal affiliations at the state level which will prove invaluable to the district during this difficult time of change in school finance.

We again caution voters to eliminate emotion and misinformation from the equation when evaluating these candidates and do what truly is best for the community.

And finally, we again fully and completely support the proposed millage in the Wayne-Westland district and urge voters to cast a **YES** vote. Members of the board have now altered the proposal to maintain the new millage rate for only two years, which will offer voters an opportunity to fairly evaluate the necessity of the funding and the use of the funds within the district during the next 24 months. This seems to be an excellent compromise to the former three proposals, which were rejected by voters. This allows for temporary funding while a restructuring takes place. We wholeheartedly support it.

Parents need to support teachers

I am a student in the Wayne-Westland district and for months I have been listening to parents blaming teachers for low M.E.A.P. scores, bad grades, etc. Parents need to support the teachers and work with them.

Recently, an article in the local paper gave a negative view of my elementary school and teachers. I found this very upsetting. I went to Vandenberg beginning with kindergarten and completed sixth grade in June 1990.

My seven years at Vandenberg gave me a strong foundation for future educational experiences. All of my teachers gave me their best, however they can't do everything alone. They need parental support. What is started in the classroom must be continued at home. My parents have spent endless hours helping with homework and weak areas.

Rumors will always be there. Don't believe them, give everyone a chance. For example, due to rumors I was scared to death to enter sixth grade. The stories I had heard were frightening. I started sixth grade in August 1989. I was scared. I completed sixth grade the following June as a student with a strong readiness for Junior High. I didn't have one horror story to tell about sixth grade.

I left Vandenberg with a 4.0 grade point average and received the President's Academic Achievement Award. I have kept a 3.8 g.p.a. (or above) during my first year of junior high. I feel I am able to maintain these grades due to my elementary learning experiences. Thank you teachers and staff at Vandenberg and thanks mom and dad. Remember, "It takes two" (parents plus teachers).

Westland has had 25 years of pride

The City of Westland is to be congratulated on the many interesting and educational events and information available to each of our residents.

Westland can look back with pride on the past 25 years. The City of Pride, Progress and Promise has proven to be just that. It is with pride that we look back and we thank God that we were, in a small way, a part of this fantastic city.

The city calendar brings

LETTERS

back many wonderful memories. Thanks to so many who worked so hard and devoted so much of their personal time to keep our city a city of "pride, promise and progress."

A helpful source which has been instrumental in obtaining interesting information is the Westland Chamber of Commerce, and The Historical Commission is fortunate to have these two informative and dedicated organizations working on behalf of Westland.

Harriet Gagnon
Wayne

Renters not happy with landlord

In the latest newsletter from Mobile Homeowners Legislative Association of Michigan, it is clear that our landlord will eventually be exempt of the taxes of his property. Mr. Guternich will be able to shift his taxes on to us, the renters of a space on his land, at \$30 monthly above the rent. Of the thousands lots owned by him, he will be ahead more than \$300,000, which we will be forced to pay. This is not fair. We rent our lot from him, we do not own it. We care for his property, we keep the area tidy and neat, plant flowers, pay for our own streetlights.

Lansing plans this change in status as we were informed by Rep. J. Kosteva several years ago. Before this we were considered same as apartment renters. Will this then affect them, too, landlords free of taxes? If this happens, people will not be buying mobile homes. Why? When you can live better in an apartment or real house. Mobile home sales dealers should be busy lobbying against this. You'll go out of business. Everyone concerned should write their representative in Legislature about this farce and stop it.

Elise and Steve Anderson
Canton Township

Letters should be typed or neatly printed, and should be brief and to the point - 250 words or less.

We must educate our youth

Throughout the nation, states are facing budget deficits that are staggering in size. Most states have used two methods with which to address the problem. The first is to raise taxes. Governors and state legislatures have raised taxes this year by \$10.3 billion, the most since 1978. The second, whether Republican or Democrat, has been to reduce spending on education. One state has gone against that trend, and it is Michigan. We have tackled our budget problems without raising taxes and without cutting spending on K-12 education. There have been numerous stories about the horror of the current cuts but few about the foundation our state is laying for the future. By holding the line on taxes while other states rush to increase theirs, we will be in a position to attract investment and new businesses as we emerge from the current downturn in the economy. Even more important is our commitment to education.

As we move toward the 21st century, our ability to compete as a state and nation will depend on the job we do educating our youth. While money is not the only thing that makes for quality education, it is a factor. If we fail in educating our youth to compete successfully against the entire world, whatever else we do will not matter. If we succeed in the task of helping young people reach their potential, most of our other problems will take care of themselves.

When Michigan creates a successful and equitable K-12 school system, we will have less individuals on welfare, less in prison and more people holding jobs while they contribute to a better Michigan. We cannot, as a state, guarantee everyone a successful, happy life, but we must guarantee everyone the opportunity for a quality education.

The current cuts are painful, and there is real suffering. Hopefully, as the economy rebounds, we can ease that pain and suffering.

But the rest of the story is that Governor Engler and the Michigan Legislature are charting a course that will put Michigan in the best position to be successful in coming years.

Dan DeGrow
State Senator
28th District

Stop runaway taxes, report the facts

As one of your readers, I want to urge you in the strongest terms possible to increase your coverage of the fact that for every new dollar that Congress has raised this year in new taxes it has increased spending by \$1.78. As Reader's Digest reported, the budget and new taxes are a "sham."

To put it bluntly, last year Congress conned the American people and the news media. They told us we should go along with their "deficit reduction package" which included tax increases for every American, because we had to get the deficit under control. But in the end, they just wanted to take more of our income in taxes.

In the name of deficit reduction, they enacted the second largest tax increase ever and then turned right around and increased spending by \$111 billion - pushing the deficit to a new record.

Tragically, the American people and the news media bought "this budget agreement will reduce the deficit" story hook, line and sinker. And now we are paying the price in higher taxes and higher deficits. I urge you to expand your coverage and report important facts such as:

- 1) Congress enacted the second largest tax increase in history.
- 2) Congress increased spending by \$111 billion.
- 3) Congress enlarged the deficit by \$100 billion to an all-time record of \$320 billion for fiscal year 1991 alone.
- 4) Congress pushed the national debt to a new record and increased the annual interest payment on the debt to a staggering \$254 billion.
- 5) Congress destroyed the Gramm-Rudman Deficit Reduction Act and all other effective controls on future congressional wasteful spending.

As Citizens against Government Waste has pointed out repeatedly, we have this skyrocketing deficit today not because of the recession but because Congress refuses to stop its reckless spending. Unless we get runaway taxes and wasteful deficit spending under control, we will all be in very, very serious trouble very soon. I urge you to give more coverage to this all-important story. Thank you.

'Phenomenal conclusion'

Tyrone Wheatley wins triple crown in state track

By DION PRATER
ANP Special Writer

It was a battle of pitchers in the Class A District Championships Saturday.

In the end, Jeff Belisle of Plymouth Salem was the only one left, as he out pitched counterparts Frank Learner and Scott Kennedy of Plymouth Canton. The Rocks won 3-1.

Earlier in the day, the Chiefs knocked off Adrian 3-2 and Salem upset Westland John Glenn 4-3. The Rockets were ranked No. 2 in the state at the time and finished the season at 23-3.

Belisle went the distance to pick up the victory while giving up two hits. He walked two and struck out four. The lone Canton run was scored on a pinch-hit home run by Ben Hendrick in the fifth, but Belisle retired the remaining eight batters.

"It didn't really bug me because I knew we were still up by two," Belisle said about the home run in the fifth that spoiled his bid for a shutout.

His coach, John Gravlin, had nothing but praise for his undefeated pitcher.

"I don't think they knew about Belisle, but he really rose to the occasion. Anytime you can

two-hit a team in the championships, you know you have done something special."

Learner took the loss. He went 4 1/3 innings and was charged with all three Salem runs and four of their five hits. He struck out two and walked none.

The game was quiet until the fourth inning, when the Rocks struck for three consecutive hits. Learner had been cruising along, pitching a no-hitter until Eric Nielson led off the inning with a single. Scott Niemiec followed his lead with a double to the gap in left to put runners on second and third. Scott Rogers

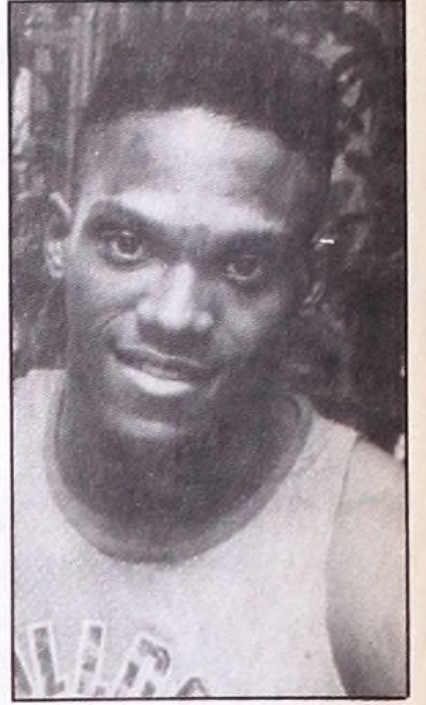

stepped up to the plate and when he left the batter's box, he stopped at second and Salem led 2-0.

In their next at-bat, the Rocks struck again. This time, Ed Gundry led off with a double and moved to third on a wild pitch. Scott Kennedy entered in relief and in hopes of stopping the Salem inning before it got started. He struck out the first batter he faced. Up came Scott Niemiec and he came through, but only with the help of the shortstop. He hit a hard grounder the infielder bobbled only slightly. He picked it up and made a good throw to first but a

diving Niemiec beat the throw and the run scored. Salem increased its lead to 3-0.

"This was the classic confrontation which Niemiec happened to win. It was a big, big at-bat for us. He stayed in there and battled Kennedy after he had two quick strikes on him," Gravlin said. Gravlin also mentioned he is happy for Niemiec, as he is going to the University of Michigan next year.

After the error, Kennedy retired the next six batters, including five consecutive on

His coach, John Gravlin, had nothing but praise for his undefeated pitcher.

"I don't think they knew about Belisle, but he really rose to the occasion. Anytime you can two-hit a team in the championships, you know

As Glenn coach Norm Hoenes watches from his third-base perch, the Rockets score their second of three runs against a revenge-seeking Plymouth Salem team. The action took place in the semifinal round of the Class A district playoffs, and the Rocks managed to upset the then-No. 2 ranked Westlanders 4-3. The victory qualified Salem for the finals where they turned back rival Canton. Salem will travel to Wyandotte Roosevelt to play for the regional title. ANP photo by Pam Stover

Class A Regional Pairings at Wyandotte Roosevelt

Saturday, June 8

10:00 a.m. - Dearborn vs. Redford Catholic Central
12:30 p.m. - Wyandotte Roosevelt vs. Plymouth Salem
2:30 p.m. - Regional championship

and when he left the batter's box, he stopped at second and Salem led 2-0.

In their next at-bat, the Rocks struck again. This time, Ed Gundry led off with a double and moved to third on a wild pitch. Scott Kennedy entered in relief and in

hopes of stopping the Salem inning before it got started. He struck out the first batter he faced. Up came Scott Niemiec and he came through, but only with the help of the shortstop.

Salem bursts Rockets' bubble

By TERRY LYNCH
ANP Special Writer

After an outstanding season which saw them ranked as high as No. 2 in the state, the John Glenn Rockets exploded before reaching their target Saturday.

It was a Rock that brought down these Rockets.

Plymouth Salem Rocks pitcher Scott Rogers hurled a no-hitter through 6 1/3 innings to defeat the Rockets 4-3 in the district playoff semifinals.

The loss spelled the end of the line for the Rockets. Plymouth Salem went on to face Plymouth Canton for the district championship, a game which saw Salem take the crown to advance to the regional.

But the game wasn't nearly as cut and dried as Rogers' no-hit pitching would at first indicate.

"Scott walked 10 batters through his wildness, but he was more focused when he had to be," Plymouth Salem Coach Fred Gravlin said.

Glenn started the scoring in the first inning with a run, but the Rocks matched them in the bottom of the inning.

Despite all the walks Rogers served up, the Glenn batters managed to score only one more run until the seventh inning.

In the meantime, the Rocks scored one in the second, and got a solo homer from Kevin Craggs in the fifth. They added one more in the sixth to enter the last inning up 4-2.

The Rockets got a good outing from Aaron Scheffer, who went the distance. He kept the Rockets in the game.

Scott walked 10 batters through his wildness, but he was more focused when he had to be.

- Fred Gravlin
Plymouth Salem coach

Scheffer finished the season with an outstanding 7-1 record.

Rogers added to the drama by allowing two men to reach base in the seventh. A mistake on a routine double-play ball allowed Glenn to chalk up one more run and come within one.

But Rogers got serious, and it was back to reality for the Rockets.

"Scott has never beaten Glenn. As good as he is, with 20 some career victories, he has never beaten Glenn. Something always seems to come up to keep him from victory," Gravlin said.

"He was trying to get the monkey off his back, which is one reason why I stuck with him despite his control problems early."

Rogers' record now stands at 11-2. He also has beaten the John Glenn Rockets in the game that probably meant more to his team than all the other chances combined.

Plymouth Salem went on to win the district championship game against cross-town rival Plymouth Canton and will now advance to the regional semifinal game against Wyandotte Roosevelt High School.

With two impressive victories over state-ranked teams, the Belleville High women's softball team picked up Saturday its sixth Class A district crown in the last 13 years. Coach Peggy Curtis, whose teams have won two state titles, and the Tigers will travel to Wyandotte Memorial Stadium Saturday to compete for the regional title. The regional champ will qualify for the state quarterfinals. The 1991

Tiger lineup includes (front row, from left) Kristin Curtis, Christie Adkins, Heather Dickerson, JoAnn Clark, Kerrig Gebhardt, Jennifer Merritt, Cherylynn Thick and Sheila Settles; second row are Tanya Kjellin, Lori Storemski, Dawn Rochowiak, Keskia Wilson, Jenny Adkins, Kelly Rochon and Linda Pasek. ANP special photo

'Mercy'

Belleville reaches regional

By TOM MOORADIAN
ANP Staff Writer

An aggressive Belleville women's softball team took no hostages Saturday and destroyed Ann Arbor Huron and Plymouth Canton to capture its sixth Class A district championship in 13 years.

With Tiger ace Dawn Rochowiak on the mound in both games, Belleville buried Ann Arbor Huron 14-0 in an abbreviated preliminary game called in the fifth inning because of the mercy rule.

Then, in the championship round, Coach Peggy Curtis' club clubbed Plymouth Canton 10-0 to claim the district title.

The victory at the district qualifies Belleville to play for the regional title. The regionals playoffs and championship game will be staged Saturday at Wyandotte Memorial Field.

Belleville will play Temperance Bedford at 10 a.m. on June 8, while in the second game, at noon, Farmington Mercy High School will take on Garden City.

The regional championship will be decided at 2 p.m. the same day. The winner will advance to the state quarterfinals.

Curtis respects her first-round regional opponent.

"Bedford has traditionally put outstanding teams in the field," the Tiger coach pointed out. "And from all indications this Bedford team is also strong. They have been ranked among the top 10 in the state."

Belleville wasted little time against Ann Arbor Huron on Saturday. The Tigers leaped on starting and losing pitcher Niki Cianciola for four runs in the first inning, then added three more in the second, tallied twice in the third and fifth after scoring four times in the fourth.

Rochowiak was tough on the River Rats. She allowed only one hit, a single to right which came off the bat of Amy Miller in the third inning.

While Rochowiak was busy gathering goose eggs, her teammates pounded out a total of 11 hits. One of those was a 300-foot, over-the-fence home run by slugger Keshia Wilson. She also picked up three RBIs for the game.

Kelly Rochon and Heather Dickerson also checked in with two hits while Linda Paske drilled three hits and collected three RBIs.

In the duel for the title Rochowiak again showed little mercy on the Chiefs as she scattered six hits, chalked up two strikeouts and walked two en route to the victory.

Loser Kelly Holmes held the Tigers scoreless for three innings before her teammates fell apart on defense. The Chiefs committed three of their four errors in the top of the fourth that opened the door to three Tiger runs. In the fourth, Tanya Kjellin singled and advanced to second on Wilson's base hit. Then an error put Jenny Adkins aboard and allowed one run to score.

Sports Briefs

Piston stars to hold camp

There is still time to register for the Joe Dumars and Isiah Thomas Basketball Camp.

The camp, hosted by the two Detroit Piston stars, will be conducted three days - July 25, 26 and 27 - at Plymouth Canton and Salem high schools.

Registration has been extended until June 15.

Girls and boys, aged 7 through 17, are invited to sign up. Fundamentals of basketball will be emphasized, according to veteran Salem Coach Fred Thomann.

For further information, telephone 313-451-6600 (Plymouth) or 313-526-0220 (Regina).

Wayne seeks softball teams

If softball is your game, the Wayne Parks and Recreation Department wants to hear from you.

Recreation officials said they are seeking women's over-25 softball teams for their Wednesday morning league. The league will begin competition later this month.

If you want to play softball or have a women's team you would like to enter in the league, contact the recreation offices at 721-7400.

Miller ties Bronco mark

Former Plymouth-Canton track star Angie Miller set a school record for the high jump at Western Michigan University.

Miller, a junior and a member of WMU women's track team, finished fifth in the high jump with a leap of 6'6" at the Mid-American Conference track and field championships. The young Bronco squad finished ninth overall in the conference standings, totaling 19 points.

First-year Coach Diane Russo will lose no one to graduation for the upcoming 1991-92 season.

During the year, Miller set the Bronco outdoor high jump record with a leap of 5'8 1/2". She snapped a three-way tie she had shared for the record. The former best was 5'8".

Title

Continued from page B-2

strikes. He had done his job to kill the Salem rally, but now the Canton batters had to do their job.

Kennedy finished with 2 2/3 innings. He struck out six and walked one. He gave up only one hit.

It started to look good for the Chiefs after Hendrick's home run. Belisle seemed to be tiring as he went to a 3-1 count on the next batter but finally got him to fly out. Belisle struck out the next two batters and the closest Canton batter would come to a hit was a slicing liner to center the Salem center fielder caught as he made it look easy.

"I felt coming in we were a senior team, more experienced. They had a sophomore in the starting lineup and we felt experience was our advantage," Gravin said.

Salem moves on to the regional at Wyandotte Roosevelt Saturday. In the same bracket are Wyandotte Roosevelt, Detroit Catholic Central and Dearborn. The Rocks will face the Wyandotte Roosevelt Bears in the 12:30 game.

Track

Continued from page B-2

"This was the classic confrontation which Niemiec happened to win. It was a big, big at-bat for us. He stayed in there and battled Kennedy after he had two quick strikes on him," Gravin said. Gravin also mentioned he is happy for Niemiec, as he is going to the University of Michigan next year.

After the error, Kennedy retired the next six batters, including five consecutive on strikes.
